OB ODHODU IZ HIŠICE...

Preverite ali ste ugasnili vse luči in elektronske naprave. Ločite odpadke in jih nam jih pomagajte reciklirati. V kopalnici se nahaja koš za mešane odpadke, bio odpadke odnesite na kompostnik. Papir, embalažo in steklo lahko odvržete v leseni zaboj, ki se nahaja v kuhinji, nevarne odpadke (baterije, sijalke, zdravila) pa lahko pustite nam.

WHEN LEAVING THE HOUSE...

Please turn off the lights and all electronic devices. Sort your waste and use the waste bins to facilitate the waste separation and recycling. Use the bathroom waste bin for mixed waste, packaging goes to the bin in the kitchen or use the waste wooden box in the kitchen: yellow waste bin is for plastic packaging, blue is for paper and the green one is for glass. Please leave dangerous waste (batteries, light bulbs, medications) on the reception.
